

**ENGLISH LEARNER ADVISORY COMMITTEE (ELAC) RECOMMENDATION TO
SCHOOL SITE COUNCIL (SSC)**

Alta California ES
(Name of School)

February 4, 2022
(Date of Meeting)

The ELAC participates in the school's planning process for the programs and services for English learner (EL) students and provides the SSC written recommendations regarding the needs of these students. The ELAC must review student and parent involvement data prior to submitting recommendations to the SSC. This data includes:

1. EL student performance data such as periodic assessments, School Quality Improvement System data, the LAUSD School Report and Performance Meter
2. School Language Census data, reclassification rates, needs assessment data, student attendance, Single Plan for Student Achievement, Long Term English Learner data

Please list the data reviewed by your committee prior to making the recommendation(s):

1. 2020-2021 & 2021-2022 Reclassification numbers / goals
2. _____
3. _____
4. _____

Please indicate the action(s) the committee recommends as a result of the data review:

The members of ELAC recommend for our school to provide additional access to online reading material (ie. apps and/or programs) for students to use at-home. We feel this could be advantages to student achievement when coupled with teacher assigned readings from the additional online resources.

Secondly, ELAC recommends for the Parent ESL classes to resume (perhaps online) and also provide Basic Computer Literacy classes for parents (to help parents navigate the various school-based platforms such as but not limited to Parent Portal).

ELAC would also like to recommend that an additional full-time staff member be on-hand to provide specific (Spanish) Translation Service to the Office, at school meetings (ie. ELAC, IEPs), and in the EL classrooms (for teachers who are not bilingual).

Lastly, ELAC recommends that home resource kits be provided to families in need, especially in the area of: sanitizer, masks (kids/adults), and other family needs.

The ELAC would also like to recommend that recordings (video and/or documented minutes) of the meetings be made available to the public, for parents who are unable to attend at the time of the meetings.
